## Editorial - J u n e / J u l y 0 3

**D**ear All

The sun has finally got his hat on which means I can get my car out to play...at last! Although I know some of you are all year round 'hardened' enthusiasts, my 'Auto definitely likes to be in the garage at the first drop of the wet stuff, so for me that's about five outings a year.

There has been plenty of DeLorean going's on over the last few months to keep us busy including; The 'Room 501' filming crew including Phil Peters, Matt Wennington, Chrispy, Dave Woodyard, Claire Usher and a cast of thousands...er...well eight people to be exact, showing of their cars and testing out their acting ability. Phil Peters gives us the full details in the August mag.

During 9th/11th May Dave Woodyard, Claire Usher, Chris Hawes and Martin Gutkowski headed off to Houston for the DeLorean Motor Company's 2003 Open House event. This included guided tours of the warehouse, track events and of course the chance to spend large amounts of cash on original new old stock DeLorean spares.

Paul Salisbury organised a gathering at The British Sports car day at Shuttleworth which

*The Cars the Star - 'Room 501' Filming at Dunstall Park in Wolverhampton*

was attended by 14 DeLorean's belonging to Mike and Mary Hooper, Darren Cunningham, Tony & Angie Lawther, Kevin Milliken, Dave & Claire, Martin G to name but a few. A successful days event including an aerobatics display and a chance to have a wonder around the other cars on show. A big thanks must go to Paul for organising the event.

The Renault Owners club have invited us as guests to their annual gathering at the British Motor Heritage Centre at Gaydon on Sunday 10th August, this replaces the usual SuperCar Sunday Summer get together this year. The gathering is being organised by Claire Usher and if you

would like to attend please drop her an email to: [claire@delorean.plus.com](mailto:claire@delorean.plus.com), it will be great to see you there.

The DeLorean gets a mention in the latest song 'Rock Soldiers' by Ace Frehley, thanks to Thomas McAuley for spotting it.

If your wheels are looking worn and tired then why not get them refurbished. BJV Engineering have experience in restoring DeLorean wheels and charge around £20 per wheel depending on condition. Tel: 07968 023236 for more information.

Best Wishes  
Andy.

# Gaydon 10th August 2003

I've had an update from the Renault Owners Club about the timetable for Sunday 10th August, Heritage Motor Centre, Gaydon, Warwickshire.

10am - Gates Open  
 12noon - Judging commences  
 1.30pm - guided tour of museum  
 3.30pm - awards ceremony  
 5pm - home time

You are free to wander round the museum as many of us have done in the past, the guided tour is an option. There will also be an auto-jumble and driving tests(?).

I have copies of the entry form which I can send out or hand out on the day if you would like your DeLorean judged in the 'Best Visiting Classic' category. By the looks of things, you don't need to pre book, just turn up on the day. I am getting asked by the ROC how many DeLoreans they need to make space for, so if any of you are still thinking about it can you let me know asap so that I can get our space allocated. I don't

want to have a space for, say, 12 cars, and 20 turn up - or worse get space for 20 and only 6 turn up! They know we got 23 last year, so are expecting the same if not more! I am also finding out if we can do our traditional doors up parade down the driveway to the Heritage Centre.

Thanks  
 Claire Usher
